USB-C™ Adapter
USB-C female to USB-A male

Art. No.: **AU0056**

Best Connectivity

This is a portable USB-C female to USB-A male adapter designed for charging or data transfer. With this small dongle that plugs into an available standard USB port, you can easily turn your old devices (charger, power bank, computer) into an USB-C enabled platform.

Features:
» Allows connection to most USB-C peripherals (USB-C cable, USB-C memory stick, USB-C hub)
» Provides data transfer speeds of up to 5 Gbps
» Supports up to 2 A output for fast and safe charging
» Made of aluminium alloy and takes up very little space
» Connected directly to the end of your USB-A hardware for easy carrying

Computer/Power bank/Charger with USB-A port

USB-C devices
